

Effective Teaching Assistant Deployment

Continuing Professional Development

This one day training course provides Teaching Assistants to look closely at their role within the classroom and how they can effectively support learning. This practical based course will focus on useful strategies that can be employed to develop learning, whilst at the same time working alongside the classroom teacher to ensure all students make progress.

£69

per delegate

Facilitators: Fiona Boulton

When: 14th March 2017 – 9:30 – 3:30pm
